**Our Famous Red Sauce** - Our original slow simmered pizza sauce starts with onions and garlic sautéed in the finest olive oil To which we add fresh packed tomatoes and premium spices.  
**Creamy Garlic White Sauce** - A rich milk-based sauce for anyone who loves garlic.  
**BBQ Sauce** - Tangy and sweet, just right for a change of pace.  
**Pesto Sauce** - Basil, Pine Nuts, Olive Oil, and Cheese.

**Our Original Thin** - Thin in the middle with our signature scalloped edge.

**Ultra Thin Crust** - Thin all the way to the edge and baked crispier.

**Deep Dish Style** - Our unique recipe dough is hand pressed into the pan, with our 100% natural cheese blend, your choice of toppings, smothered with your choice of sauce, and topped with a second layer of cheese.

**Upside-Down/Chicago Style** - We use the same amount of cheese, sauce, dough and toppings as in our Deep Dish, but put them together in a different order that leaves the cheese layered

**Di Napoli Style** - This Naples style pizza is hand pressed to create a unique texture that is thin and crispy in the center with a thick, soft ring of crust on the outside. We top the crust with a roma tomato sauce, four cheeses and olive oil. (Additional toppings are not recommended)
